Agenda

- Wie führt die wohl internationalste Organisation überhaupt IBM Connections ein?
- Wie erreicht man ganz wichtige Mitarbeiter, die während der Arbeitszeit fast immer offline sind? Wie motiviert man diese zur Zusammenarbeit?
- Was braucht es, um eine Plattform zu nutzen, die nicht die der eigenen Firma ist? Wie führt man eine Plattform ein ohne Weisungsbefugnis?

Wichtig: Niemals eine leere Plattform übergeben!

The screenshot displays the e.join platform interface. On the left, the 'Events' section shows details for the 'Marine Underwriting Workshop' (Date: Thu, 26 Mar - Fri, 27 Mar 2015; Venue: Cologne; Registration deadline: Thu, 12 Mar 2015). Below this, a list of 'Corresponding Files' is shown, including documents like 'Agenda - Eurapco Marine Underwriting Workshop Cologne 20150326-27.doc' and 'UNION - Preparations for Marine UW Workshop 2015.doc'. A red arrow points from the 'open file in connections' link in the first file entry to the 'Connections' section on the right.

The 'Connections' section on the right shows a list of files under the heading '2015-03-26 MARINE UNDERWRITING WORKSHOP COLOGNE'. The files listed are:
